

What Difference does it make that Arne Duncan is also a member of the Aspen Institute? And Further, what difference does it make that at least 5 people are members of both The Khan Academy and the Aspen Institute?

"The Aspen Institute has earned a reputation for gathering diverse, nonpartisan thought leaders, creatives, scholars and members of the public to address some of the world's most complex problems. But the goal of these convenings is to have an impact beyond the conference room. They are designed to provoke, further and improve actions taken in the real world."

If you thought the connections we found at Khan were awesome, Get ready to have your socks knocked off. The Board of Trustees at Aspen is another treasure trove of colluders.

Please note we find none other than Mike (Miguel) Bezos on the board at Aspen. That's Jeff Bezos's dad. Perhaps they thought it was too close for him to be at Khan.

People identified as members of both Khan and Aspen are:

Arne Duncan

Salman Khan

John Doerr

James Manyika

Walter Isaacson

Other notable members of Aspen are:

Dan Porterfield, CEO/Pres, Margaret Thatcher, Katie Couric, Laura Lauder, Bill and Melinda Gates, Jerry Murdock, Robert Steel, Condoleezza Rice, R. Nicholas Burns and many more!

Who is Nicholas Burns? ... so glad you asked!

He's the Director of the Aspen Institute, he's on the Board of the CFR, the Special Olympics, The Rockefellers Brothers Fund, he is a member of The Atlantic Council, The Trilateral Commission, and other organizations. He was the United States Under Secretary of State for Political Affairs, appointed by George W. Bush. He is also a Knight of Malta. See "Order of St. John" under "memberships" Wikipedia link below. Mr. Burns is a key player in the upper echelons of conspiracy against the people of the world. Given the Malta status, he's probably a SERCO link into the CIA.

Beth Brook Marciniak - Global Vice Chair of Aspen, made Forbes magazine's list of the Most Powerful Woman ... 9 times!! Per Beth, Aspen is in over 150 countries! She attended the WEC in Davos last year. Did she make it this year? Under Obama, she was responsible for all tax policy matters related to insurance and managed care. #ObamaCare. Obama's retirement plan. Looks like she's for sure going to GTMO or the Gallows. Oops!

Jane Harman won awards from the CIA because she's stealthy like that! They aren't even trying to hide their collusion.

Other board members are from or connected to France, Monaco, London, Jordan, Rome, Switzerland, the University of Mexico, Telemundo, former CEO of Disney of 21-years, Booz Allen Hamilton, Uber, Twitter, snap chat, multiple venture capitalists, and of course the CIA. The Board at Aspen alone is huge. How do these people have a meeting? Please note we are only looking at the board of trustees, not members or fellows. Mike Bezos is the last one in the second row in the first link below. Certainly, check to see if you've crossed some of these people or their companies. This writer has not researched them all.

If you think this is all just conjecture and presumed guilt by association, check out the transcript of General Alexander's speech at Aspen in 2013. He is a black hat with the NSA. He talks about the 9/11 terrorists. Many know, and soon the world will too, that 9/11 was an inside job which means those dubbed guilty are either patsies or innocent and were set up.

If you still believe the mainstream narrative, please have a look at the docket list for case: 9/11: Khalid Shaikh Mohammad et al. (2)

I apologize for the seeming derailment into 9/11. But it's no derailment at all. It goes to show how deep and insidious all of this really is. These are the people that have been running the world.

If you can't get the connection at Khan, you most certainly can get it at Aspen. It's all there; Obama appointees, the mainstream media, billionaires, big tech, big money, world-wide connections, Royalty, Disney, and most importantly, the CIA.
